

The Commission Card is a Direct Selling Company branded VISA debit card issued by Money Network[™].

Consultants will be able to access their commissions by:

- Electronically transferring their commission payment to a bank account.
- Writing checks to pay bills or themselves.
- Withdrawing funds through ATMs worldwide.
- Making purchases at retail stores or online.
- Sending money to individuals outside the country.

Support your association when you support this program.

Why is the Commission Card good for your Consultants?

- Commissions are available to Consultants the day Company releases funds.
 Consultants save 1-5 days instead of waiting for your check to arrive by mail.
- Consultants are no longer tied to your mail box.
 - Consultants check cannot be lost in the mail.
 - Consultants can access you money regardless of where you are.
- Save time, money and energy.
 - > Depositing or cashing their check is no longer required.
 - Consultants select how and when to access their funds.
- Minimum commission restrictions no longer have to apply.

Company pays all commissions regardless of amount.

Who is Money Network?

- Money Network is a subsidiary of First Data, a global credit and debit card processing company.
- The DSA has partnered with Money Network to bring your Consultants a flexible, secure and timely solution for you to access your commission.

Do your Consultants need to enroll, apply or pass a credit check?

- No, Consultants do not need to enroll, apply or pass a credit check.
- All eligible Company Consultants automatically qualify for the card.
- The Company must securely provide Money Network with Consultants personal information to establish a card /account in their name.

Will the Company know how the Consultants spend their commission?

- No, the Commission Card usage is completely confidential.
- Company has no access to your transaction information.
- The Commission Card is the Consultants and managed by them.

Are there fees with the Commission Card program?

- Yes, the Commission Card charges fees for certain uses of the card.
- The DSA has worked very hard to provide you the best possible payment solution.
- Available training will help you to either avoid fees or make informed decisions on whether the use fee is appropriate for you.
- Active Consultants will <u>not</u> be charged a monthly usage fee.
- Commissions loaded to the Commission Card can be accessed when and how your Consultants want.

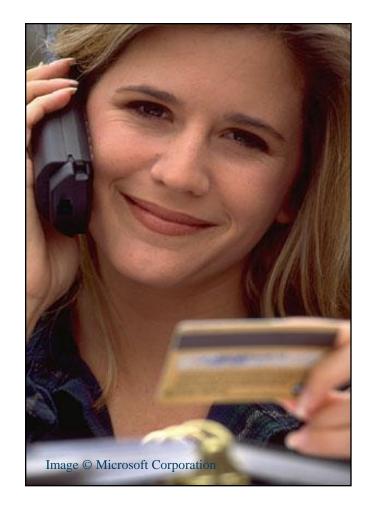

What does a Consultant need to do to get their Company Commission Card? Company requests your Consultants verify their personal information.
