AFFAIRS

2022 ACCOMPLISHMENTS

- **Letter signed by DSA and multiple associations supporting S. 3410**, which would require Federal Trade Commission to have reasonable guardrails before pursuing an enforcement action
- **Kansas became the 28th state** to have the DSA Model anti-pyramid scheme legislation signed into law with strong bipartisan support. DSA and member company executives traveled to Topeka many times, testifying before legislative committees, worked with legislative leaders and the state attorney general on this important legislative effort
- **Testified to the Indian Ministry of Commerce** on proposed direct selling regulations in India
- **Hosted a Virtual Direct Selling Caucus briefing** with Reps. Richard Hudson (R-NC) and Marc Veasey (D-TX)
- **Senator Marsha Blackburn (R-TN) expresses support** for the Direct Selling Self-Regulatory Council during a United States Senate Commerce Committee hearing
- **As Vice Chair of the Coalition for Workforce Innovation**, part of a lawsuit that ruled the Biden administration unlawfully rescinded a favorable independent contractor rule at the Department of Labor
- **Coordinated five Women's Entrepreneurship Roundtables** with Reps. Ashley Hinson (R-IA), Steven Horsford (D-NV), Nancy Mace (R-SC), Markwayne Mullin (R-OK), and Victoria Spartz (R-IN)
- **Worked with the FTC Engagement Task Force** to file comments with the Federal Trade Commission on Advanced Notice of Proposed Rulemaking regarding Earnings Claims
- **Participated in a United States Department of Labor forum** as the agency considers a Notice of Proposed Rulemaking regarding independent contractor status
- **Filed comments with United States Trade Representative** in support of the inclusion of direct selling text in US-Taiwan Trade Initiative
