

# Introducing ageLOC® META

ageLOC Meta is the latest addition to Nu Skin's Pharmanex brand that offers customers premium quality health and wellness products.

**Studies show that only one out of every eight adults is metabolically healthy.**

ageLOC Meta is a powerful standardized supplement that helps support metabolic health and overall well-being. Research shows that including 215mg of anthocyanins into your daily diet can help support metabolic health, antioxidant defense, a healthy microbiome, and the maintenance of healthy blood glucose.

**Anthocyanins are a phytochemical typically found in...**

**GRAINS**

**FRUITS**

**BERRIES**

# Only the Best

ageLOC Meta is formulated from the best anthocyanins: cyanidin and delphinidin—the two clinically proven, most effective types of anthocyanins that support better overall metabolic health.

**8X** ageLOC Meta offers more anthocyanins than the daily average consumed by adults globally.

## Beauty & Wellness Start From Within With These Results

**7 years of anthocyanin research created our product that helps:**

Support core metabolism for improved well-being

Support healthy inflammatory balance

Promote a healthy microbiome for better gut health

Improve the antioxidant defense system

Support vital organ health including liver and heart

Maintain healthy blood glucose
