Direct selling: Direct selling: A business model that provides entrepreneurial opportunities to individuals as independent contractors to market and/or sell products and services, typically outside of a fixed retail establishment, through one-to-one selling, in-home product demonstrations or online. Compensation is ultimately based on sales and may be earned based on personal sales and/or the sales of others in their sales team.

Direct sellers build a business full-time (30 or more hours/week) or part-time (fewer than 30 hours/week) and sell products/services to consumers and may sponsor people to join their team.

Discount buyers are eligible to purchase, sell, & sponsor, but are product lovers, only purchasing products /services they personally enjoy and use at a discount.

Preferred customers have signed a preferred customer agreement with a direct selling company where they may be eligible to pay wholesales prices for products/services. They are not eligible to sell products/services to others, and they are not eligible to earn.

Note: Figures above may not sum to 100% due to rounding.
